

GHALI AL-HARBI

Makkah, Saudi Arabia | [0544313307](tel:0544313307) | ghali.o.alharbi@outlook.com [Linkedin](#) [Portfolio](#)

Professional Summary

Human-Computer Interaction graduate with experience in UX/UI design, usability improvement, prototyping, and data visualization. Skilled in creating simple, accessible, and user-friendly digital solutions using Figma, Power BI, HTML, CSS, and JavaScript.

Education

Bachelor's Degree in Human-Computer Interaction (HCI)

Umm Al-Qura University, College of Computing

GPA: 3.25 / 4.00

2022 - 2026

Experience

UX/UI Trainee – Khatib & Alami

Mar 2025 – Aug 2025

- Improved website usability and user experience.
- Enhanced navigation structure and interface layout.
- Applied HCI principles to improve accessibility and user flow.
- Supported the team in analyzing design issues and suggesting improvements.

Technical Volunteer – Saudi Red Crescent Authority, Al-Haram Al-Makki

Feb 2026 – May 2026

- Created a website to organize Red Crescent operational locations instead of Excel sheets.
- Added Google Maps links to help staff reach service points faster.
- Simplified daily workflow and reduced manual work for staff.
- Improved access to location information and supported field coordination.

Projects

Graduation Project – Umm Al-Qura Academic Portal: Redesigned the academic portal and added student-focused features to improve usability, accessibility, and navigation.

Shtlah : Designed and prototyped a mobile app for buying and selling plants, focusing on intuitive user flows, clean interface design, and an accessible, user-friendly experience.

Data Visualization Dashboards – Umm Al-Qura University: Built Power BI dashboards to support university leaders with clear graduate data insights.

Skills

Technical Skills: Figma, Power BI, HTML, CSS, JavaScript, Responsive Design

UX/UI Skills: UX Research, Wireframing, Prototyping, Usability Testing, Accessibility, Design Systems, User Flows

Soft Skills: Teamwork, Communication, Problem Solving, Time Management, Attention to Detail

Professional Development & Achievements
